# About Us

## WHO WE ARE

We are a leading provider of high-performance construction chemicals, proudly rooted in India. Our goal is clear — to lead the industry through innovation, reliability, and excellence. Since our start in 2009 with just one product and expert international guidance, we have grown steadily by staying focussed on customer needs and delivering quality products and services.

Our product range serves a wide variety of construction needs across industrial, commercial, residential, marine, and infrastructure sectors. Each solution is designed to perform in India's diverse and demanding climates.

Backed by skilled technical experts and a dedicated sales and marketing team, we ensure our customers receive expert support and fast & reliable delivery. Our commitment to innovation drives us to study market trends, face industry challenges head-on, and continuously improve.

We are dedicated to serve the best quality, service, and building lasting value for our customers.

## VISION

We strive to achieve a status of a leading technical solution provider in the business of Construction Chemicals to the best satisfaction of our clients, with our utmost Dexterity, Integrity and Ethos

## MISSION

To be the paramount provider of innovative, sustainable and rational solutions for our clients which can help them exceed quality and standards of construction with less life cycle cost through our core operational values.

## CUSTOMER SERVICE

### CUSTOMER SERVICE

We continually improve our training, tools and processes to increase the quality of service we provide to our clients.

### QUALITY

We'll meet your expectations, then we'll exceed them. Our team members will prove themselves to you through the success and the quality of your project.

### INTEGRITY

We hold ourselves accountable to the highest ethical standards, fostering a culture where integrity is the norm, not the exception.

## About Us

### Akash Kotecha

B.E.(Construction Technology Management), Nirma University  
M.Tech (Construction Project Management) , CEPT University

With a robust background in Project Management Consultancy, he has undertaken and delivered complex tile installation & waterproofing projects across India.

At FSPL, Akash spearheads techno-commercial sales and human resources, fostering strong client partnerships and building a high-performance culture within the organisation. His ability to understand client needs in depth and translate them into practical, site-specific solutions has been instrumental in FSPL's sustained growth.

### Bhavin Gada

B.Sc (Chem), Natubhai V. Patel College of Pure & Applied Sciences  
M.Sc in Plastic Polymer Technology, ISTAR,

Diverse experience spanning manufacturing, telecom sales, and international exposure in Dubai's real estate market.

At FSPL, Bhavin directs finance, procurement, logistics, and warehouse management, maintaining operational excellence across all back-office functions.

Renowned for his disciplined, hands-on approach, Bhavin is the dependable backbone of day-to-day operations — ready to personally step in and manage dispatch or resolve challenges on the ground whenever required.
